WORKING HARD FOR CAPRICORNIA

Authorised by Michelle Landry MP, The Swan 159 Denison St, Rockhampton 4700

In recent times, a few of our members have stated that they do not wish to play with this player or that player, or do not wish to play fours or whatever. Selectors have a hard enough job now to form teams with the numbers in hand and as well try to move everyone around to avoid playing with the same players too often. Sometimes this is unavoidable and the situation is made worse when players display the worst side of themselves and creating what should be a friendly game into a stressful game.

In the fifth newsletter I did back in December 2009 Yvonne Sorensen gave me a poem called

This is today.

Today is here, I will begin with a **smile** and resolved to be **agreeable**, I will not **criticise**; I refuse to waste valuable time God has given me.

Today has one good thing which I know is equal with others, "**Time**" All of us draw the same salary in **seconds, minutes and hours**.

Today I refuse to spend time in worrying what **might happen**. I am going to spend my time **in making things happen**.

Today I will **not imagine** what I would do if things were different. They are **not different**. I will make a success of what material I have.

Today I will stop saying "**If I had time**" for I never will find time for anything. If I want time **I must make time**.

Today I will **act** towards other people as though this be my last day on earth. I will not wait for tomorrow, **tomorrow never comes**.

A small poem with a powerful message.

Consider yourself to be lucky to be playing bowls or getting out of bed each day. Think of this poem and smile your problems away. Your actual problem of not wanting to do this or that is so minor compared to the real problems some people have, really makes you look ridiculous.

Committee Positions.

The Management Committee Positions look to be filled for next year.

The Men`s Bowls section is looking for a new President. To all the men members, think about putting your name forward to be the President.

Ladie`s Committee as usual is being worked out, however it would be appreciated if some of our younger ladies thought about stepping in to take up positions that would be of great benefit to the Club in the longer term.

No other reports received.
